

We all know ATMs are great for quick access to cash, but...

DID YOU KNOW YOU CAN DO MORE AT OUR ATM THAN JUST WITHDRAW CASH?

- If you are a Citizens Bank of the South customer, you can make cash or check deposits at our ATMs 24/7.
 - ⇒ Cash deposits are immediately reflected in your available balance
 - ⇒ \$200 or the amount of the check(s), whichever is *less*, is immediately available, with any remaining balance available on the following business day
 - ⇒ Deposits received at the ATM before 3:00pm on a business day are considered deposited that day; deposits received after 3:00pm or on a day the Bank is not open will be considered deposited on the next business day.
 - ⇒ For more information about our funds availability policy, please [click here](#)
- CBOTS customers can use their debit card at a CBOTS ATM for cash withdrawals, account balance inquiries, transferring funds between accounts or changing debit card PIN numbers (*it is recommended not to use any easy to guess numbers such birthdays, anniversaries, last 4-digits of your SSN, etc*)
